Organisation Context

The Kilmore International School (TKIS) is a leading independent, non-denominational, co-educational boarding and day school for academically motivated students. Classes are offered from Years 3 to 12 with boarding available from Year 7. The curriculum in Years 11 and 12 is the International Baccalaureate Diploma Program. As a boarding school, we are home to more than 150 students from the Asia-Pacific region. The care, academic support and leadership of students through the Homeroom, Wellbeing Centre, Boarding House and co-curricular program prepares them for success at university and equips them to be socially engaged and world-ready.

The Kilmore International School (TKIS) is committed to a highly effective whole school approach to student wellbeing based on positive education methodologies that support the emotional, social and academic needs of every student.

Position Purpose

The TKIS Child and Youth Psychologist / Student Counsellor’s role is to build the resilience and capacity of our students. The incumbent will support and enhance students’ wellbeing and further promote their academic success. They will assist the Director of Student Wellbeing in leading the school to secure and maintain a high quality wellbeing programme to enhance education for all students.

This is a non-academic position. The Child and Youth Psychologist / Student Counsellor is employed under the terms and conditions of general staff.

**Reporting Line:** The Director of Student Wellbeing.

**Supervisory Responsibilities:** Nil.

**Financial delegation and/or Budget responsibility:** Nil
Key Result Areas and responsibilities

The Child and Youth Psychologist and the Student Counsellor is responsible for:

- Providing counselling to individuals and groups to enhance personal resilience, educational and/or social outcomes.
- Participating in the development, administration and facilitation of student and staff wellbeing programmes.
- Promotion and support the explicit teaching of positive education components in the TKIS Homeroom Programme and across our school culture.
- Providing consultative advice and lead staff professional development pertaining to youth mental health.
- Developing relevant procedures and policies that relate to, but are not limited to, resilience, empathy, cyber safety, mandatory reporting and bullying.
- Meeting regularly with various Wellbeing Staff, Business Manager, Careers Coordinator and Principal to discuss student wellbeing and determine appropriate action to support learning where required.
- Assessing referrals from parents, teachers and external agencies to guide decisions about appropriate strategies for individual students.
- Making referrals and liaising with parents, other professionals and external agencies regarding student case management.

General

- Liaising with the Head of Boarding/Boarding Manager to assist students to adapt to life in the Boarding House, especially for students from overseas.
- Participate in new student orientation.
- Maintain appropriate client confidentiality.
- Maintain appropriate welfare notes within SAS (School Administration Software).
- Be a member of a response team for critical incidence management and support.
- Undertake professional duties reasonably delegated by the Director of Wellbeing

For suitably qualified candidates the following responsibilities also apply:

Learning/Psychometric Assessment

- Perform psychological assessments of cognitive, emotional and behavioural functioning through a variety of methods.
- Communicate results of psychological testing and any recommendations to parents and teachers.
- Collaborate with the Director of Student Wellbeing to identify students who require extra support and assist with recommendations to teachers to assist them with meeting the educational needs of those students.
- Provide written psychological reports when required
