On receipt of this application, one of our Enrolment Officers will contact you to further the process.

TERMS OF ENROLMENT

The completion and signing of this Application signifies acceptance of and agreement with the terms relating to the payment of fees and charges and to any other conditions or rules which may be implemented by the School Board, or its appointed representative, to ensure the orderly conduct of the School. The School reserves the right to change these Terms of Enrolment from time to time.

A. Application Fee: A student's name will be registered for enrolment at the School following the submission of the Application form and payment of the application fee. This does not guarantee that a place offer will be made. The application fee covers administration and is non-refundable. The fee, subject to periodic review, is currently \$350.

B. Security Deposit: The School requires payment of a refundable, security deposit per family (or per student for boarding students) with the Acceptance of an Enrolment Offer. The security deposit, subject to periodic review, is currently \$1,500 for Australian families or \$3,000 for each boarding student. Should a student not commence at the School on the agreed start date, the enrolment will be cancelled.

C. Fees and Accounts

C.1: School fees for Australian students are billed as an annual charge, in advance. For all students, the first instalment of tuition fees is due and payable before the commencement of Term 1. Fees are payable either upfront (5% discount on Tuition & tutorial fees), in 3 instalments due prior to the commencement of terms 1, 2 & 3, or monthly by direct debit (12 months commencing in October the previous year, or 9 months commencing January).

C.2 Any credit card or direct debit payment which is declined by the bank, for any reason, will attract an administration fee of \$25.

C.3 The School reserves the right to not permit a student to re-enter classes in a new term when fees remain outstanding.

C.4 All fees and charges are reviewed annually by the School Board.

D. Planned Leave of Absence: All requests for a planned leave of absence from the School must be submitted in writing to the Principal for approval at least one full term in advance. Approval is not guaranteed. Absence from the School during the whole or part of a term does not remove the obligation to make payment of the full term's fees and charges.

E. Notice of Withdrawal: One full semester's notice is required, in writing to the Principal, before the withdrawal of a student from the School. If the required notice is not given, one full term's tuition and tutorial fees (and, if applicable, boarding fees) will be payable in lieu. For example: If you wish to withdraw your child from the School at the end of Term 4, the Principal must be notified in writing by the last day of attendance of Term 2.

F. Siblings: The School currently offers a 10% sibling discount on the basic annual tuition and tutorial fee to a student while their older sibling is enrolled at the School. This discount is not offered to a family in conjunction with any other fee concession (for example scholarships).

G. Medical: In the event of an accident or illness when it is impractical, or not possible, to communicate with a parent or guardian, the Principal or Principal's representative may authorise medical, surgical or other treatment recommended by a qualified medical practitioner.

H. Attendance and Participation: Students returning to the School after school holidays must join their classes on the first day of term. Students are not permitted to leave the School at the end of a term until the recognised closing date, except with prior permission and under special circumstances. All students are expected to attend school throughout the academic year. In enrolling their children at the School parents agree to support the vision and community activities of the School. All students are required to attend assemblies, camps and excursions.

I. Discipline of Students: Enrolment signifies agreement with the rules and regulations of the School and intention to abide thereby. Parents agree to support the School in its Discipline Policy. A student's behaviour is required to be at all times lawful, safe for all concerned, considerate of others and a good reflection on them self, their family and the School. At the discretion of the Principal, a student may be excluded from the School either temporarily or permanently. The financial obligation of the parent/guardian will not be affected by the exercise of such discretion.

J. Uniform: All students are required to wear the school uniform as prescribed, neatly and properly, while in the School, travelling to and from school and on all school occasions. Each item of clothing must be clean, in good repair and labelled with the child's name.

K. Communication: The School emails a newsletter to parents every three weeks during term containing important information. This newsletter, to be read by both parents and students, is also available via the school's website or can be collected from Reception. Information so communicated is deemed to have been received by parents. The school also communicates to parents/guardians using the CareMonkey system. It is the responsibility of parents/guardians to ensure that they have read and understand all information in the newsletter or sent via CareMonkey. Changes of address, phone numbers or other information must be given to the School as soon as the change takes place (a form in CareMonkey is available for this purpose).

L. Further Conditions: If an offer of enrolment is made, further policies will be communicated to parents/guardians. They will be read in conjunction to those contained herein.
