

The Kilmore International School

12 July 2020

Dear Parents and Guardians,

The Premier of Victoria has just confirmed the schooling arrangements for students in Years 3 to 10 during the initial six weeks of Term 3.

From 20 July until 19 August, students in Years 3 to 10 will undertake remote learning from home.

Further details regarding the structure of the day, availability of loan laptops, and school access for the children of parents who are unable to work from home, such as essential workers, will be forwarded in the coming days.

This confirmation, which we expected, now allows us to plan with clarity.

Every best wish,

Peter Cooper

Principal

"Excellentia Academica Persequenda"
